KNOM AM & FM
ANNUAL EEO PUBLIC FILE REPORT
Placed on September 22, 2022

The purpose of this EEO Public File report is to comply with Section 73.2080(c)(6) of the FCC’s 2002 EEO Rule.

This Report has been prepared on behalf of the station employment unit that is comprised of the following station(s): KNOM AM [9340] & KNOM FM [9339], Nome, Alaska and is required to be placed in the public inspection file, and on the Web site.

The information contained in this Report covers the time period beginning September 22, 2021 to and including September 21, 2022.

The FCC’s EEO Rule requires that this Report contain the following information:

1. A list of all full-time vacancies filled by KNOM AM & FM during Applicable Period;
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the new EEO Rule, which should be separately identified), identified by name, address, contact person and telephone number.
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Section 73.2080(c)(2) of the FCC rules.

Appendices 1, 2 and 3 exist, in the aggregate, to provide the required information. Please note that numbers listed on Appendix 2 under the column entitled “Full-time Positions for Which This Source Was Utilized” refer to the number of the full-time job positions listed on Appendix 1.

For purposes of this Report, a vacancy was deemed “filled” not when the offer was extended but when the hiree accepted the job offer. A person was deemed “interviewed” whether he or she was interviewed in person, over the telephone or by e-mail.

Notification of Job Vacancies
Alaska Radio Mission, KNOM Radio Mission, Inc., licensee of KNOM is an equal opportunity employer. KNOM provides notification of full-time job vacancies to organizations assisting job seekers. Any organization, which would like to receive notification of job openings at our station should contact us and request to be included on our employment opportunity notification list. Organizations can make such request by mail to KNOM P.O. Box 988, Nome, Alaska, 99762; fax 907-443-5757, or e-mail belong@knom.org. When making such requests please provide us with the name of the organization, the address, the phone number, the fax number, and the name of the contact representatives to whom notifications should be sent.

Appendix 3
EEO Public File Report Form

The information contained in this Report covers the time period beginning September 22, 2021 to and including September 21, 2022.

Station(s) comprising station employment unit:
KNOM AM [9340] & KNOM FM [9339], Nome, Alaska.

Section 3: Supplemental (non-vacancy specific) recruitment activities

Menu Option
#7: Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting.

Activities
As a member station, KNOM AM and KNOM FM participated in the Alaska Broadcaster’s Association, Linda Simmons Memorial Scholarship program.

Menu Option
#8: Basic training program, then constant training opportunities to enable station personnel to acquire skills that could qualify them for higher-level positions.

Activities
Employees in all departments are consistently trained to acquire the skills necessary to qualify them for higher-level positions. This includes on-site professional training. It also includes off-site training available through attendance at the NAB convention, ABA convention, professional seminars and teleconference/webex trainings. This course of training resulted in no in-house promotions during this reporting period.

Menu Option
#10: Participation in at least two events or programs sponsored by educational institutions relating to career opportunities in broadcasting.

Activities
KNOM routinely conducts career oriented KNOM radio station tours for students 5th/6th grade and up, with additional attention towards the vocational center on the Nome/Beltz High School grounds. KNOM has standing offers to all area schools, elementary, high school, UAF NW Campus and community organizations to tour our station and watch behind the scenes operations, including staff question and answer sessions, and observing a air-shift in the studio. During this reporting period KNOM conducted many tours. This year of February 15th, 2021 started an internship for 15 weeks in order to have 2 high school students to learn radio with set objectives by set by radio station and Nome-Beltz High School. The two students trained every Wednesday from 2 to 4 pm for 15 weeks. This will continue for both Fall and Spring Semesters.
Menu Option

#15: Participation in other activities designed by the station employment unit reasonably calculated to further the goal of disseminating information as to employment opportunities in broadcasting to job candidates who might otherwise be unaware of such opportunities.

Activities

All vacant positions are disseminated within the community using our list of recruitment resources center, EEO/Employment on-air and online announcements, and “Careers in Broadcasting” brochure produced by Alaska Broadcasters Association on display for pick up.

Menu Options

1) Participation in at least four job fairs by station personnel who have substantial responsibility in the making of hiring decisions.
2) Hosting of at least one job fair.
3) Co-sponsoring at least one job fair with organizations in the business and professional community whose membership includes substantial participation of women and minorities.
4) Participation in at least four events sponsored by organizations representing groups present in the community interested in broadcast employment issues, including conventions, career days, work shops and similar activities.
5) Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.
6) Participation in job banks, Internet programs, and other programs designed to promote outreach generally (i.e., that are not primarily directed to providing notification of specific job vacancies).
7) Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting.
8) Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher-level positions.
9) Establishment of a mentoring program for station personnel.
10) Participation in at least four events or programs sponsored by educational institutions relating to career opportunities in broadcasting.
11) Sponsorship of at least two events in the community designed to inform and educate members of the public as to employment opportunities in broadcasting.
12) Listing of each upper-level category opening in a job bank or newsletter of media trade groups whose membership includes substantial participation of women and minorities.
13) Provision of assistance to unaffiliated non-profit entities in the maintenance of web sites that provide counseling on the process of searching for broadcast employment and/or other career development assistance pertinent to broadcasting.
14) Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.
15) Provision of training to personnel of unaffiliated non-profit organizations interested in broadcast employment opportunities that would enable them to better refer job candidates for broadcast positions.
16) Participation in other activities designed by the station employment unit reasonably calculated to further the goal of disseminating information as to employment opportunities in broadcasting to job candidates who might otherwise be unaware of such opportunities.
